

Biography of Christian Recoding Artist
Athena Sorensen

Athena Sorensen is a Christian Recording Artist that has dedicated her voice to spreading the Gospel of Jesus Christ through music. Several years ago, God healed her from an auto-immune disease called Alopecia Areata. Now she wants to give hope to this dying world that there is a Savior who loves us and can heal us from our physical and

spiritual diseases.

Her latest single **"Have You Touched Jesus"** has been a blessing to listeners around the world via PANDORA, JANGO radio, and YesLordRadio.com. Athena is currently a host for **TBN's "Joy in Our Town"** television show in Hawaii. She also serves as a worship leader, music ministry committee member, and minister of music at her local church.

Athena shared her testimony and music at **Women Shaping the World** conference in Las Vegas which featured *Paula White* as the guest Speaker. She also sang for the 1st & 2nd Annual Monterey Gospel Festival in Monterey, CA with featured **Martha Munizzi & Vicky Winans**. *One of the biggest highlights of her career was signing the National Anthem at the San Francisco Giants Major League Baseball Game!*

Athena writes and composes her own music as an avenue to relay what God has done for her. She has shared her music at numerous churches, gospel festivals, fairs, evangelistic seminars, television shows, and radio stations around the country including *95.5 The Fish*, and *XM Satellite Radio*. Her music and testimony are a powerful witness to the world that God still works miracles! She prays that everyone who hears her music will be drawn closer to Jesus Christ.
